September

Note from The Executive Council

Dear Delegates, Faculty Advisors, and Distinguished Guests,

On behalf of the Executive Council, it is our pleasure to welcome you to the 3rd Edition of the Scarsdale International School Model United Nations (SISMUN III), taking place on September 3, 4, & 5.

SISMUN was created with a mission to empower young individuals to engage with global issues, think critically, communicate confidently, and become responsible global citizens. We believe that diplomacy begins with the willingness to listen, understand perspectives different from our own, and work together toward meaningful solutions.

We aim to create a safe, inclusive, and respectful space where every delegate feels comfortable sharing their ideas, challenging perspectives, and participating fully. Whether you are an experienced MUNer or attending your first conference, your voice matters, and we want SISMUN to be an environment where you can learn, grow, and lead.

We look forward to welcoming you to Scarsdale International School this September and experiencing SISMUN III with all of you.

Let us debate with purpose, listen with empathy, and lead with courage.

Yours sincerely,

The Executive Council
